Many people think about purchasing an ATV but don't. They think to themselves, where can I ride legally and who can I ride with? We're here to answer those questions.

We are an internet based ATV club. We hold no formal meetings and we collect no dues. We currently have over 350 members from all over the state of Illinois and southern Wisconsin. We are a family club. We have riders of ALL ages and ALL skill levels. Everyone is welcome to join.

You have nothing to lose and everything to gain. We ride in Illinois, Wisconsin, Michigan, Missouri, Kentucky, and Indiana.

You may ask, how does this club work?

We have a website. [www.illinoisatvtrailmasters.com](http://www.illinoisatvtrailmasters.com) .

When you go to the website, there is a link to click on that says "Join our club".

Clicking on the link and filling out the info requested signs you up to receive our periodic newsletter. That's it!! You're a member.

Now if you want to meet new people to ride with and find all the legal ride spots all you need to do is click on the link to our "Forums" and create a screen name and password.

The forums is where all the members really get to know each other and arrange rides by chatting and leaving messages for each other . There's a section for chatting, 4X4s, Riding, Tech questions, Items 4 sale, and MORE!!!

If you just want to sit home and make excuses for not riding, then don't join our club. But, if you want to get out there and ride, SIGN UP NOW!!!
